

IWSD 2024 TRAINING CALENDER

The Institute of Water and Sanitation Development (IWSD) is a Non-Governmental Organisation registered as a Technical and Vocational Training Institution whose aim is to assist in capacity building among sector organisations and personnel within the environment, water resources management, water supply, sanitation and hygiene sectors. IWSD does not only wish to participate in the process of change but aims at spearheading that change, stimulating and promoting new ideas designed to improve organisations' capacity to design, plan, implement and deliver water and sanitation services. The IWSD achieves this objective through conducting long term and short targeted courses, applied research, consultancy and information dissemination. In partnership with the Government of Zimbabwe, Institutions of Higher learning, Water and Sanitation Utilities, Local and International development partners, the IWSD will be facilitating various long and short term courses in 2024. Some courses will be held face-to-face in order to promote in-depth discussions, sharing of experiences as well as demonstrations and field visits whilst others will embrace the hybrid learning approach to promote inclusivity and minimise spread of communicable diseases. For more information please get in touch on the contact details provided.

LONG TERM VOCATIONAL COURSES National Certificate in Water and Sanitation Management (HEXCO) January and May Intake National Diploma in Water and Sanitation Management (HEXCO) January Intake Higher National Diploma in Water and Sanitation Management (HEXCO) January Intake Post-Graduate Diploma in Water Supply and Sanitation in Partnership with National University of Science and Technology (NUST) Post-Graduate Diploma in Advanced Monitoring, Evaluation and Learning for Humanitarian and Development WASH and Livelihoods Programming March Intake Post-Graduate Diploma in Sanitation and Wastewater in Partnership with University of Zimbabwe (UZ) January and July Intake Post-Graduate Certificate in Sanitation and Wastewater in Partnership with University of Zimbabwe (UZ) January and July Intake Post-Graduate Diploma in Sanitation and Wastewater in Partnership with University of Zimbabwe (UZ) January and July Intake Post-Graduate Diploma in Sanitation and Wastewater in Partnership with University of Zimbabwe (UZ) January and July Intake Post-Graduate Diploma in Sanitation and Wastewater in Partnership with University of Zimbabwe (UZ) January and July Intake Post-Graduate Diploma in Sanitation and Wastewater in Partnership with University of Zimbabwe (UZ) January and July Intake Post-Graduate Diploma in Sanitation and Wastewater in Partnership Mith University of Zimbabwe (UZ) January and July Intake Image: Partnership Mith University of Zimbabwe (UZ) January and July Intake	PC
